Mrs. Bell 1

Will's coach, MRS. BELL, sees Will sitting alone and sits down next to him.

MRS. BELL
You ready?

Will shrugs.

MRS. BELL
Just stay focused. Watch your breathing when you're out there.

WILL
Yes, coach.

MRS. BELL
You've got this one. Your time has been great lately. Did you get a good sleep last night?

WILL
Lotsa chores. Dad needs help.

MRS. BELL
No matter what happens out there, I'm proud of you.

Will says nothing.

MRS. BELL
Better take your mark.

Will gets up from the bench and takes his spot.
