Robert/Molly Callback 1

She turns around to see Robert standing there.

She cowers.

ROBERT
Are you bit?

MOLLY
What?

ROBERT
Did one of those things bite you?

MOLLY
No.

ROBERT
What are you doing outside?

MOLLY
Will's dead.

Robert lowers the bat and grows somber.

ROBERT
I know. I'm so sorry. I tried to
take care of you two. I failed.
When it all started, after the
outbreak, I thought we'd be safer
here.

MOLLY
Robert, listen to me. There was no
outbreak.

Sirens are heard in the distance.

Molly looks. Sheriff cars quickly approach.

Robert looks and sees the zombies shuffling up the road.

Robert grabs Molly by the arm and pulls her back into the
house and slams the door.

INT. LIVING ROOM - DAY

Once the door is shut, Robert throws Molly back.

Molly falls to the ground.

She starts to get up.

Robert locks the door.

ROBERT

They're coming. You should have never opened the door. How many times have I told you not to go outside?

MOLLY

You've lost your mind!

ROBERT

You don't know what your talking about.

MOLLY

You need help Robert!

Robert rushes over and grabs Molly by the arm.

He shoves her against the wall with the bat firmly in his other hand.

ROBERT

I'm fine! You're the one who's sick! Now, thanks to you, we've got dozens of the them coming to the house! Do you want to die?

She shakes her head no.

Robert realizes that his grip is too tight and lets her go.

ROBERT

We need to go to the basement. Now.

Robert starts to head off, but Molly just stands there.

ROBERT

Molly.

Molly looks at Robert.

ROBERT

Do you trust me?

He extends his hand out.

Molly reluctantly takes his hand and they head to the basement.
