Will Callback 1

INT. KITCHEN - DAY

Molly looks out the window.

On the floor, Will cringes and calls out to his mother.

WILL

Mom.

Molly runs to her son's side.

WILL

Mom, where are you?

MOLLY

I'm right here.

All she can do is hold her son tight.

WILL

It hurts.

MOLLY

Don't talk. Save your strength.

WILL

Where's dad?

A gun shot cracks from outside.

INT. WILL'S BEDROOM

Robert exits.

WILL

M....m...mom?

Molly quickly snaps to and crawls over to the bed.

On her knees, she grabs Will's hand.

Will can't open his eyes.

WILL

Hank?

MOLLY

Hank.... Hank's gone.

WILL

Went crazy...attacked us.....

MOLLY
It's over now.

WILL
(getting a little
agitated)
No. Not safe...He...hurt...Got
to....get away....

Robert enters the room.
