Will/Hank 1

EXT. BARN - DAY

Will and Hank carry hay bales to the barn.

There's a dirt path that leads up to the barn from the corn field.

At the end of the path, out of Hank and Will's sight, a MAN staggers towards the barn.

They continue to bail hay and play 20 questions to pass the time.

HANK  
Does it roll?

WILL  
No.

HANK  
Does it help ya accomplish anything?

WILL  
Nope.

HANK  
Is it many different colors?

Robert comes out of the barn.

He stops in the doorway and watches Will having fun with Hank, more fun than with his own father.

WILL  
That's a weird question. Yeah I guess it is.

HANK  
Can you play with it?

WILL  
No.

HANK  
Was it invented?

WILL  
When?

HANK  
Doesn't matter. Don't need to know.

WILL  
Fine. Yes it was.

Hank and Will are still unaware as the Man staggers closer and closer.

Robert comes all the way out of the barn acting like everything is all right.

HANK  
Can it be used more than once?

WILL  
No way.

HANK  
Is it hard?

WILL  
Depends on where you get it from.

HANK  
Can you smell it?

WILL  
Oh yeah!

HANK  
Is it round?

WILL  
Yes.

HANK  
Sounds like my ex-wife.

Robert works on the fence in the background.

WILL  
Hank!

HANK  
Sorry. Does it get really hot?

WILL  
Yes, it can.

HANK  
Is it a cheeseburger?

WILL

How do you do that? There's no way you could figure out cheeseburger from those lame questions.

HANK

Human psychology. It's all about reading people. And reading you is like an open book test. Okay, your turn. I'm thinking of an animal.
