Woman (Dana) 1

Robert stuffs his gun away.

He hurries behind the counter to check on her.

He leans down and touches her shoulder.

WOMAN

No! No! Don't touch me! Help! Help!

ROBERT

Calm down. It's okay! I'm not going to hurt you. I'm not one of them.

The woman slowly looks up at Robert with tears rolling down her face.

ROBERT

How long have you been here?

WOMAN

I...I've been here since 10 this morning.

ROBERT

Have you been behind the counter this whole time?

WOMAN

Y...yeah.

ROBERT

You're lucky I showed up when I did. I'm getting you out of here.

Robert grabs the girl by the arm and pulls her up.

The woman starts to cry.
